

A close-up photograph of a flowering rose bush. The focus is on a cluster of pink roses in the center-right, with some buds and open flowers. The background is a soft, out-of-focus bokeh of more pink roses and green leaves, creating a dreamy, romantic atmosphere. The lighting is natural and soft, highlighting the delicate petals and vibrant green foliage.

OUR ETHICAL GIFTWARE COLLECTION

We're committed to providing a wonderful and sustainable approach to luxury homewares through our product design, material selection and manufacturing processes. Each item has been carefully and lovingly hand designed in Brisbane and then either ethically handcrafted with 100% recycled materials or produced in an Australian factory that runs entirely off solar power.

On top of our commitment to luxury and sustainable products, we also remove 100 pieces of rubbish from the environment for each order that we receive and invest 10% of the profits towards our reforestation and conservation projects.
