

THE SISTERHOOD OF SUSTAINABILITY

The Sisterhood of Sustainability is a beautifully boutique and handcrafted brand of sustainable homewares, personalised stationery and ethical giftware...

It is our mission to inspire and empower women to live in a conscious and earth friendly way by providing beautiful and zero waste alternatives to everyday moments and products. We're dedicated to educating women on how to lead sustainable and ethical lifestyles whilst providing the knowledge, advice, resources and inspiration to do so...

STATIONERY

A beautifully curated collection of luxe, hand designed stationery pieces that are created with 100% recycled materials and support reforestation projects...

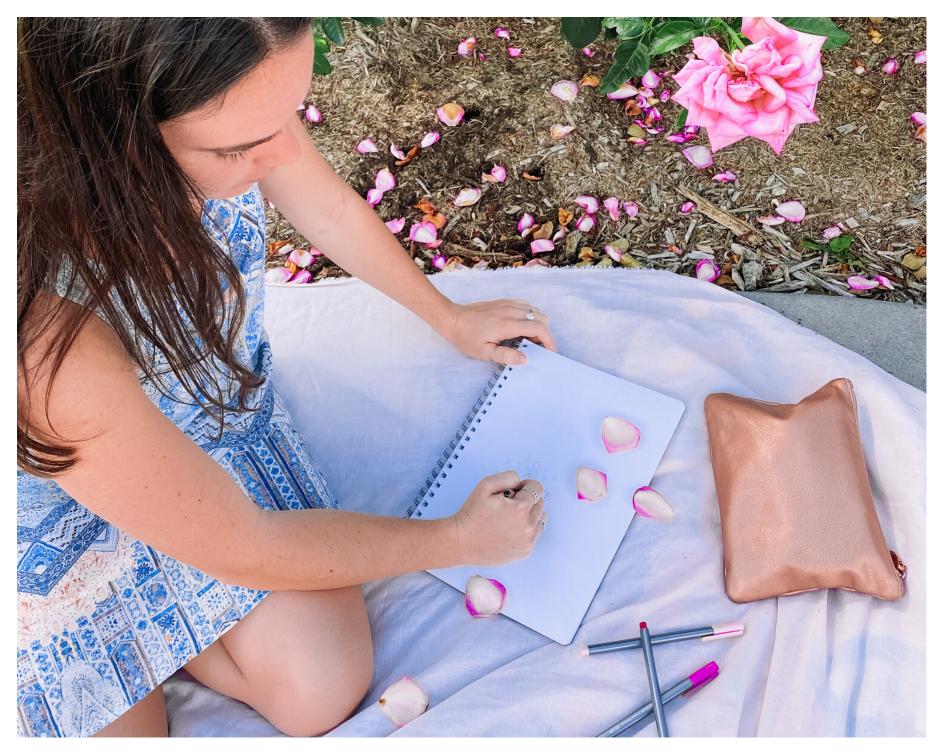

NOTEBOOKS

A beautiful collection of hand designed notebooks which have been created with 100% recycled paper and cardboard. Quality, lined pages which are perfect for writing, spiral binding and handy strap to keep notebooks closed when not in use

JOURNALS

Stunning journals which have been individually designed and inspired by pieces of nature. Featuring blank pages, these journals can be used for a multitude of purposes. A5 in size, spiral bound and irresistably beautiful...

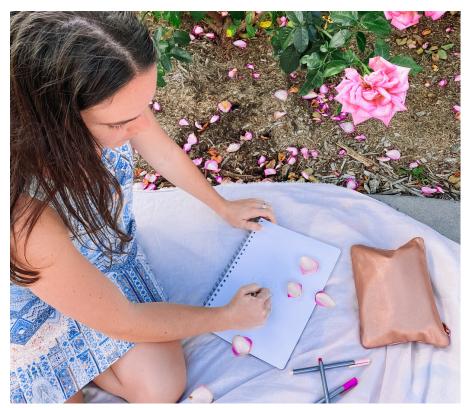

NOTEPADS

A delicately designed collection of beautiful notepads which have been crafted in Australia with 100% recycled paper and cardboard. All notepad designs have been hand drawn and feature thick, blank pages for writing and drawing

STATIONERY SETS

This unique collection features sets of beautifully crafted stationery pieces. Sets vary to include notebooks, journals, travel diaries and notepads which have all been designed and created in Australia from 100% recycled materials

TRAVEL DIARIES

Designed to bring dreams and memories to life, this collection of travel diaries hosts a wide variety of beautiful designs which have all been hand drawn. Made from 100% recycled materials, A4 in size and lined pages inside...

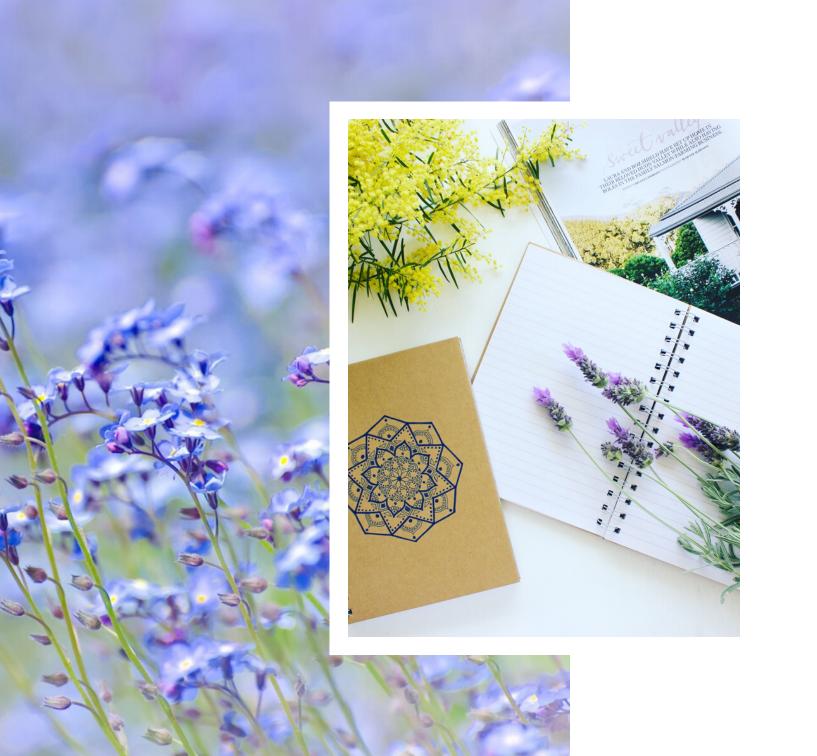

STATIONERY GIFT PACKS

A beautifully curated collection of stationery gift packs which come complete with a selection of unique stationery pieces, sustainable gift wrapping made from recycled fabric and a gift card made with recycled paper and cardboard

OUR PERSONALISED STATIONERY COLLECTION

We're committed to providing a wonderful and sustainable approach to personalised stationery through our product design, material selection and manufacturing processes. Each item has been carefully and lovingly hand designed in Brisbane and then ethically created with 100% recycled materials in an Australian factory.

Once registered and a unique code has been received, orders can be placed online at www.sisterhoodofsustainability.com or via an order form on our wholesale platform. More information on becoming a wholesale customer or placing an order can be found in our wholesale agreement form.
