

THE SISTERHOOD OF SUSTAINABILITY

The Sisterhood of Sustainability is a beautifully boutique and handcrafted brand of sustainable homewares, personalised stationery and ethical giftware...

It is our mission to inspire and empower women to live in a conscious and earth friendly way by providing beautiful and zero waste alternatives to everyday moments and products. We're dedicated to educating women on how to lead sustainable and ethical lifestyles whilst providing the knowledge, advice, resources and inspiration to do so...

HOMEWARES

A stunning range of luxury homewares that have been ethically crafted & designed to make each and every home look effortlessly beautiful...

MANDALA PLATES

These beautiful and unique mandala plates are the perfect way to add effortlessly style, colour and creativity into your home and celebrations. Hand designed, created entirely by using solar power and created in Australia

HANDCRAFTED COPPER HOMEWARES

Beautiful, limited edition copper homewares pieces which have been delicately hand crafted with 100% recycled materials. Sparkling and luxurious plates, bowls, baskets and drink coasters that make every table setting look stunning

HANDPAINTED CERAMICS

Crisp, white and thrifted ceramic pieces which have been hand painted to create stunning, mesmerising and limited edition designs. Plates, bowls, tea cups and platters are just some of the beautiful homeware pieces that feature in this collection

ORGANIC TEXTILES

A collection of stunning, botanically and hand dyed organic textile homewares. Tablecloths, napkins, picnic rugs and fabric wrapping paper made with 100% organic, Australian linen and hand sewed to create incredible masterpieces

ZERO WASTE ESSENTIALS

Beautiful and practical zero waste items which are essential for reducing your environmental impact. Made with 100% sustainable and recycled materials, this collection embodies both beauty and luxury

HOME DECOR

A unique collection of handcrafted home decor pieces which have been created with recycled materials. Designed to fill each and every home with beauty whilst maintaining a sustainable approach to interior design

STATIONERY

A beautifully curated collection of luxe, hand designed stationery pieces that are created with 100% recycled materials and support reforestation projects...

NOTEBOOKS

A beautiful collection of hand designed notebooks which have been created with 100% recycled paper and cardboard. Quality, lined pages which are perfect for writing, spiral binding and handy strap to keep notebooks closed when not in use

JOURNALS

Stunning journals which have been individually designed and inspired by pieces of nature. Featuring blank pages, these journals can be used for a multitude of purposes. A5 in size, spiral bound and irresistably beautiful...

NOTEPADS

A delicately designed collection of beautiful notepads which have been crafted in Australia with 100% recycled paper and cardboard. All notepad designs have been hand drawn and feature thick, blank pages for writing and drawing
